1. Explain how being a competitor with CCC has influenced your life. Tell us about how your family played a part to support you in your CCC competitive efforts. Talk about how working with a trainer helped you learn about the value of being a competitor.
2. What is the biggest lesson you've learned from riding cutting horses and how will this lesson apply to your future endeavors? How did working with a trainer help you learn to cope with life as you meet it?
3. Explain how interacting with other competitors both youth and adult helped you to understand how you'll face life's decisions when you're on your own. What was the best and worst part of showing a cutting horse?
4. What is the most important fact about YOU that you want us to know?
5. Where are you planning on going on to school after you graduate? How will being selected as a winner of a CCC scholarship help you in your future plans? What would you say to another youth competitor about the value of being a CCC participant.
