2019 Cascade Cow Cutters Stallion Auction

The Cascade Cow Cutters Stallion Auction was established as a fundraiser to stimulate weekend cutting in the northwest, encourage the breeding of cutting horses and provide funds for awards.

Cascade Cow Cutters (CCC) Stallion Auction Conditions

Stallion Services are donated to Cascade Cow Cutters (CCC) Stallion Auction. The donated services will be offered for sale through the CCC Stallion Auction starting Jan.2 and ending Feb. 3, 2019 at 8:00 pm, CST. Information on donated stallion breedings will be shown on the CCC website - cascadecowcutters.org.

As a condition of this contract the stallion owner/donor must agree to the following.

1. The stallion owner's standard breeding contract will be signed indicating the donated breeding and sent to the breeding facility so it will be familiar with the donation. **A photocopy of the breeding contract should also be returned to CCC with this donation contract for informational purposes. The stallion owner is responsible for sending his original breeding contract to the mare owner.**
2. If the stallion is sold anytime during the stallion auction, the donor of the stallion breeding must immediately notify Nina Lundgren, CCC Stallion Auction Chairman.
3. The stallion owner may charge the mare owner for normal mare care charges and any other applicable fees such as chute fees, veterinary fees, semen shipping fees, etc. Please contact the breeding facility for additional fees. (i.e. shipping to Canada).
4. Once the breeding has been sold, CCC will notify the stallion owner and breeding facility. The contact person's name and phone number of the breeding facility will be given to the purchaser. **Breeding arrangements will be made between donor and purchaser.** CCC is not responsible for booking dates or any additional fees associated with this breeding.
5. Winning bids must be paid within 5 working days by check or cashier's check. If not paid by this date, collection procedures will be implemented.

Stallion Service Auction Procedures

All breedings donated to the program will be offered for sale online at cascadecowcutters.org If a stallion stands at Private Treaty or is syndicated, an "established" breeding fee will be determined. In order for a bid to be considered, it must be at least fifty percent (50%) of the advertised or established breeding fee. Any breeding not sold when **initial bidding** closes, or breedings donated after **February 3, 2019**, will be offered on a first-come, first-serve basis for 60% of the advertised breeding fee. Donated breedings will be offered until sold or until June 1, 2019, which will be the last day of the CCC stallion program for the year.

A stallion owner/donor may purchase his or her own stallion service at fifty percent (50%) of the advertised or "established" breeding fee at the time of donation. This will eliminate the stallion from the public auction, but the stallion will still be listed in all the publications and on the CCC website.

Any breeding purchased through the CCC Stallion Service Program may not be transferred or re-sold by the purchaser. Breedings are for the 2019 season only. Any carryover to a future year is at the sole discretion of the stallion owner.

Important Notice:

The purpose of this program is to stimulate weekend cutting in the northwest, encourage the breeding of cutting horses and provide funds for awards. In view of this purpose, there will be **no refund** of winning bids for any reason. After the bidding has been completed, **any transaction dealing with the breeding will be solely between the stallion owner and the mare owner. It will in no way involve the Cascade Cow Cutters.** Submitting a contract indicates acceptance of the foregoing statements.

Please include a photocopy of the stallion's registration papers AND a photocopy of the breeding contract.
