There is one person willing to step into the position as treasurer at the current moment, Tina Hoepfner. The floor opened for other nominations. No nominations were made. Votes were cast, and Tina Hoepfner was unanimously voted in as the new Treasurer.
- 2) The floor was opened for other items of concern. Josh Sleeman stepped up and voiced his concern over the current facility, the lack of parking, the lack of a loping area, and the largest concern over the cost of importing and exporting the sand. Josh brought up the possibility of moving to the Washington State horse park. As there has already been conversations with the horse park there are available dates for the 2020 show season. Those dates are June 12-14th, July 3-4th or July 17-19th, July 31-August 2nd or August 14-16th and September 11-13th or September 25-27th. Josh made a motion that we move the show in 2020 to the Washington State Horse Park. The motion was seconded. A hand vote was done but unable to get accurate count. A paper vote was made, and the vote was 19 against and 13 for. A committee was formed pursuant to this conversation to investigate venue options for the 2020 season. The committee is formed of Erin Eaton, Victor Dickson, Randy Metzdaugh, Megan Baker, Josh Sleeman and Janie Larson.
